

1 by Delegate Penniman and Delgate Gallagher as to the power
2 of the Governor to delegate to the Lieutenant Governor
3 authority to convene a special session of the legislature.

4 DELEGATE MORGAN: Mr. Chairman, we didn't specifi-
5 cally consider that problem or any other power or function
6 of the Governor. I think we did, however, intend that any
7 power or function of the Governor, the Governor could delegate
8 to the Lieutenant Governor, and we intended to give the
9 Governor discretion in that respect.

10 THE CHAIRMAN: The Chair would like to have one
11 thing clear on the record.

12 I think it is implicit in what you said, but it
13 might make a world of difference to the Committee on Style,
14 Drafting and Arrangement.

15 I understood from your earlier answers and the way
16 you just gave your last answer that the Committee on the
17 Executive Branch intended to draw no distinction whatsoever
18 between the word, "power", and the word, "duty", and that
19 regardless of the distinction in the Dictionary between the
20 two, and that the Committee on the Executive Branch used the
21 word, "duty", in these lines in the same sense as though it
